

How to Activate D16 Fisheries Supply Preferred Pricing

To activate your account, read the following instructions and then click [HERE](#). Note that the promo code for Fisheries Supply is: **FishD16**

The following steps only need to be done the first time you sign up. After that the pricing is automatic when you login to your account at [FisheriesSupply.com](https://fisheriestsupply.com) or shop in the store and provide your account information.

When on the club page Click on the 'Start Here' button which will take you to the login page on our website. Chose the option below that describes your current account status and whether or not you have shopped online with us before.

Option 1: Login (Have an account and an online email address and password)

Click on Start Here

Click on Login

Enter email and password and then Sign In

Next it will take you back to the America's Boating Club/Fisheries Supply Club Pricing Screen where you will enter the promo code **FishD16**

Option 2: Link My Email (Have an account but no online email address and password)

Click on Start Here

Click on Link my email to an existing account

Fill out name, address etc. and then click on Submit

Next it will take you back to the America's Boating Club/Fisheries Supply Club Pricing Screen where you will enter the promo code **FishD16**

Option 3: Register as a New User (New account and have never registered at Fisheries Supply for an account before)

Click on Start Here

Click on Register as a New User

Fill out name, address etc. and then click on Submit

Next it will take you back to the America's Boating Club/Fisheries Supply Club Pricing Screen where you will enter the promo code **FishD16**
